

Youth Cold Weather Shelter

Winter 2018-2019

The minor shelter will operate when Sheperd's House Winter Shelter in Redmond is open.

This is generally when the temperature is forecast to be below 32 degrees.

Always check the Shepard's House Cold Weather Shelter recorded message in the late afternoon to determine if their shelter and the minor shelter will be open that night. **(541) 788-8098**

Call the Minor Shelter hot-line at **(541) 316-7175** before 10pm to let them know you need shelter that night.

Unlike the Sheperd's House Cold Weather Shelter, the minor shelter is staffed by on-call volunteers so they will need to know you are coming so volunteers can open the building.

Leave your name and number so they can call you back to confirm they received your request before arriving.

For more information, please check Mountain View Fellowships website
